UER

I remember jolie demoiselle
 The last Summer comme tu étais belle
 I remember nous la Tour Eiffel
 So beautiful with your sac Chanel

Sur le pont de la Seine let's do it again, again, again, again
 Tu le dis le secret, what is it? What is it?

Je le cherche à toi dans les rues
 Je ne suis pas venir car tu ne l'es plus
 Je le regarde partout, oh where are you
 My heart is bleeding, oh I miss you

L'amour à la française let's do it again, again, again, again
 Je perdu le secret, what is it? What is it?

Et je cours, je cours, je cours,
 I've lost l'amour, l'amour, l'amour
 Et je suis perdu, here without you,
 I'm crazy, seul à Paris

Je tu le manques, sans toi I can't
 Et sous la pluie, i feel sorry
 Champs Elysées alone la nuit,
 Le Moulin rouge i feel guilty

Instru x2

Et le soleil est plus brulant que les oiseaux
 Et dans le ciel I miss you so
 A souvenir a rendez-vous
 Des fleurs, des fleurs, des fleurs for you

Je tu le manques, sans toi I can't
 Et sous la pluie, i feel sorry
 Et je suis perdu, here without you,
 I'm crazy, seul à Paris

I remember jolie demoiselle
 The last summer comme tu étais belle
 I remember nous la Tour Eiffel
 So beautiful with your sac Chanel

L'amour à la française,
 c'est que je t'aime je t'aime je t'aime je t'aime
 Mais qu'est-ce que le faut faire? What is it? what is it?

Et je cours, je cours, je cours,
 I've lost l'amour, l'amour, l'amour
 Et je suis perdu, here without you,
 I'm crazy, seul à Paris

Je tu le manques, sans toi I can't
 Et sous la pluie, I feel sorry
 Champs elysées alone la nuit,
 Le Moulin rouge i feel guilty

I remember nice girl
 Last summer you were so pretty
 I remember us, the Eiffel Tower
 So beautiful with your Chanel bag

On the Seine bridge, let's do it again, again, again, again,
 Tell me the secret, what is it? What is it?

I am looking for you in the streets
 I didn't come because you weren't here anymore
 I am looking around, oh were are you?
 My heart is bleeding, oh I miss you

Love in the French way, let's do it again, again, again, again,
 I have lost the secret, what is it? What is it?

And I'm running, running, running,
 I've lost love, love, love,
 And I'm lost, here without you,
 I'm crazy, alone in Paris.

I miss you, without you I can't
 And under the rain, I feel sorry
 On the Champs Elysées, alone at night
 Moulin Rouge, I feel guilty

Instru x2

And the sun is hotter than birds
 And in the sky, I miss you so
 A souvenir, a rendez-vous
 Flowers, flowers, flowers for you

I miss you, without you I can't
 And under the rain, I feel sorry
 And I'm lost, here without you,
 I'm crazy, alone in Paris.

I remember nice girl
 Last summer you were so pretty
 I remember us, the Eiffel Tower
 So beautiful with your Chanel bag

Love in the French way,
 is that I love you, I love you, I love you, I love you
 But what do I have to do? What is it? What is it?

And I'm running, running, running,
 I've lost love, love, love,
 And I'm lost, here without you,
 I'm crazy, alone in Paris.

I miss you, without you I can't
 And under the rain, I feel sorry
 On the Champs Elysées, alone at night
 Moulin Rouge, I feel guilty.

L'amour à la française

The last summer, nous, la tour Eiffel
I remember comme tu étais belle

Sur le pont de la Seine
Let's do it again, again, again, again
You gave me a rendezvous
What is it, what is it?

Je le cherche à toi, dans les rues
Je ne suis pas venir car tu ne l'es plus
Je le regarde partout, where are you?
My heart is bleeding, oh I miss you

L'amour à la française

Love the French way

*I remember beautiful lady
The last summer, we, the Eiffel Tower
I remember how beautiful you were
So beautiful with your Chanel handbag*

*On the bridges of the Seine
Let's do it again, again, again, again
You gave me a rendezvous
What is it, what is it?*

*I search for it at your place, in the streets
I didn't come because you aren't there anymore
I watch it everywhere, where are you?
My heart is bleeding, oh I miss you*

*Love the French way
Let's do it again, again, again, again
You gave me a rendezvous*

*And I run, I run, I run
I've lost love, love, love
I'm lost, here without you
And I'm crazy, alone in Paris
Me, it misses you, without you I can't
And under the rain, I feel sorry
Champs-Élysées, alone, in the night
The Moulin Rouge, I feel guilty*
