The world is full of terror
If someone makes an error
He's gonna blow us up to biddy biddy kingdom come
There are some crazy rulers they hide and try to fool us
With demonic, technologic willingness to harm.
They're gonna push the button
push the button push the bu push the bu push the button
Il y a plein de souffrance
Dans les rues il y a trop de violence
Et on a beaucoup de chance d'être vivant même pas blessés
Avancement tactique de régime fanatique
Situation tragique qui me met les larmes aux yeux

(There's plenty of suffering
In the streets there's too much violence
And we're lucky to be alive without being wounded
Tactical advances, fanatical regimes
Tragic situation that bring tears to my eyes)

And I don't want to die
I want to see the flowers bloom
Don't wanna go capoot ka boom.
And I don't want to cry
I wanna have a lot of fun
Just sitting in the sun

But nevertheless
He's gonna push the button
Push the button push the bu push the bu push the button

The world is full of terror
 If someone makes an error
 He's gonna blow us up to biddy biddy kingdom come
 There are some crazy rulers they hide and try to fool us
 With demonic, technologic willingness to harm
 They're gonna push the button
 push the button push the bu push the bu push the button

There's plenty of suffering
 In the streets there's too much violence
 And we're lucky to be alive without being wounded
 Tactical advances, fanatical regimes
 Tragic situation that bring tears to my eyes

And I don't want to die
 I want to see the flowers bloom
 Don't wanna go capoot ka boom.
 And I don't want to cry
 I wanna have a lot of fun
 Just sitting in the sun.

But nevertheless
 He's gonna push the button
 Push the button push the bu push the bu push the button

Messages blow up all around me
 Missiles fly around and fall on top of me
 Cops and robbers run all over me
 Stompin' down on me, messin' around with me
 Alelai, Alelai, are you there, God, it's me?
 This nightmare's going on just way too long for me
 When I'm barely alive, the target's aimed at me,
 Might be too early to say
 "I Gave My Life for Thee"
 Why, why, police patrol
 Wow, wow, paramedical

Here it is in the prelims, a song with no "salam"
 Red's not just any color, it's more like blood
 Again I stop the breathing in my heart
 So my inner soul won't bust out
 Here it's a war, here it's CPR
 Boom, boom, that's what goes on here
 Between a rocket and machete,
 Writer and viewer
 Leverage and hostage,
 Heat wave wet weather
 Escalating up the stairs, locate on the border
 Nothin', nothin', that's what everybody's doin'
 Radicals radicalize, officers officiate
 Naïve people moderate, statistics they await
 They retaliate: We're all resigned to fate

In a world crammed full of demons,
 We're nothing but miniscule peons
 And champions with Jetons
 Decide what the deal will be
 Lazy managers give orders,
 Ocean liner filled with water
 And everyone drinks up to life while
 Sinking underneath the sea

Could be.. far too risky..
 I should sing a song of palm trees,
 And a desert void of flags
 Still, I'm.. alive, alive, alive..
 And if it keeps on being so scary
 It's only then that I will say..
 I'm gonna push the button
 Push the button push the bu push the bu
 Push the button

Le monde est rempli de terreur
 Si quelqu'un fait une erreur
 Il se fait sauter pour l'éternité
 Il y a des dirigeants fous qui veulent nous tromper
 Et sont prêts à faire mal avec la technologie. A être démon
 Ils vont appuyer sur le bouton
 Appuyer sur le bouton appuyer sur le bout appuyer sur le bout appuyer sur le bouton

Il y a plein de souffrance
 Dans les rues il y a trop de violence
 Et on a beaucoup de chance d'être vivant même pas blessés
 Avancement tactique de régime fanatique
 Situation tragique qui me met les larmes aux yeux

Et je ne veux pas mourir
 Je veux voir les fleur s'épanouir
 Je ne veux pas devenir kaput ka boum
 Et je ne veux pas pleurer
 Je veux m'amuser
 Me doré au soleil

Mais pourtant
 Il appuiera sur le bouton
 Appuiera sur le bouton appuiera sur le bout appuiera sur le bout appuiera sur le bouton

Le messages explosent autour moi
 Les fusées volent et tombent autour de moi
 Les gendarmes et les voleurs courent autour de moi
 Me sautent dessus et me prennent la tête
 Alelaï Alelaï Mon Dieu réponds-moi
 Ce cauchemar est trop long
 Je vis tout juste et tous me visent il est trop tôt peut-être pour chanter
 Que je t'ai donné ma vie
 O la la les flics
 O la la l'équipe de secouristes

La voilà la chanson sans "salam"
 Rouge n'est pas qu'une couleur mais plutôt comme le sang
 Le cœur s'arrête de respirer
 Que l'âme ne me lâche pas
 Voilà la guerre voilà le souffle
 Boum boum on y est
 Entre la roquette et la machette
 Entre le spectateur et le reporter
 Entre le kidnappeur et le kidnappé
 Entre la pluie et la canicule
 L'escalade grimpe l'escalier et s'installe
 Personne ne lève le petit doigt
 Les extrémistes se radicalisent les officiers officialisent
 Les naïfs se retiennent et attendent les chiffres
 Et la réponse: tout le monde est résigné

Le monde est pleins de démons et c'est nous les pions
 Et les mafieux décident de l'avenir avec des jetons
 Une gestion bien lente, un bateau plein d'eau
 Et tous boivent un coup et font naufrage ensemble

C'est peut-être trop dur
 Il faudrait chanter des chansons de palmiers et de désert sans drapeau
 Je vis je vis je vis encore et si je continue à avoir peur
 Alors moi aussi je dirai
 Je vais appuyer sur le bouton
 Appuyer sur le bouton appuyer sur le bout appuyer sur le bout appuyer sur le bouton

מסרים מתפוצצים עלי
טילים מתעופפים וגם נופלים עלי
שוטרים וגנבים מתרוצצים עלי
והם קוצפים עלי, מתקרצצים עלי

אללי, אללי, תענה לי, אלוהי, הי
הסיוט הזה ארוך מדי
כשאני בקושי חי וכולם מכוונים אלי
זה מוקדם לשיר אולי שנתתי לה חיי

משטרה, צוות הצלה
הנה זה בקדם, שיר ללא סלאם

אדום זה לא רק צבע, זה יותר כמו דם
שוב עוצר בלב את הנשימה
שלא תפרח עכשיו הנשמה
הנה מלחמה, הנה הנשמה

קיצונים מקצינים וקצינים מרצינים
התמימים מתמתנים, ממתנים לנתונים

עולם כולו דמונים שאנחנו סתם פיונים
ושמפיונים עם ז'יטונים מחליטים מה שיהיה
ניהול בעצלתיים, אוניה מלאה במים
וכולם שותים לחיים וטובעים זה לצד זה

אולי זה חד מדי
צריך לשיר שירי דקלים, שירי מדבר ללא דגלים
אני עוד חי, חי, חי
ואם ימשיך להיות מפחיד, רק אז אני אגיד:

Ulay ze khad miday
Tzarikh lashir shirey dkalim, shirey midbar lelo dgalim
Ani od khay, khay, khay
Ve'im yamshikh lihiyot mafkhid, rak az ani agid:

Push the bu... push the bu... push the button
Push the button, push the button
Push the bu... push the bu... push the button

I'm gonna push the button, push the button
Push the bu... push the bu... push the button

There's a lot of suffering
 In the streets there's too much violence
 And we stand a good chance of staying alive, even
 unscathed
 Tactical advancement of a fanatical regime
 A tragic situation that brings tears to my eyes

And I don't wanna die
 I wanna see the flowers bloom
 Don't wanna go kaput kaboom
 And I don't wanna cry
 I wanna have a lot of fun just sitting in the sun

 Push the bu... push the bu... push the button

Messages are exploding on me
 Missiles are flying are also landing on me
 Cops and robbers are running all over me
 And they're jumping me, getting on my case

Alas, alas, answer me, my God, hi
 This nightmare is too long
 When I'm barely alive and everyone is aiming at me
 Maybe it's too late to sing that I gave her my life

Police, rescue team
 It made it to the Kdam, a song with no peace
 Red is not just a colour, it's more like blood
 Again I'm stopping the breathing in my heart
 So I won't drop dead
 First it's a war, now it's resuscitation

Boom boom, that's what is happening now
 In between a rocket and a machete, a viewer and a
 reporter
 Underhanded opportunism and a kidnap, rain and a
 heatwave
 An escalation in the levels is setting up camp

Nothing, nothing, that's what everyone is doing
 Hardliners become more extreme and officers more
 serious
 The naive become more moderate, waiting for the data
 And reply (that everyone is helpless)

A world full of demons where we are nothing but pawns
 And champions with gambling chips decide the
 outcome
 Sluggish management, a ship filled with water
 And everyone is drinking to good health, and drowning

Maybe it's too sharp
 We should sing palm tree songs, desert songs with no
 flags
 I'm still alive, alive, alive
 And if it keeps on being scary, only then will I say:

I'm gonna push the button, push the button
 Push the bu... push the bu... push the button
 Push the button, push the button
 Push the bu... push the bu... push the button
