UER

The way you move, the way you dance
Makes me feel alive
I wanna stay in your arms
It's in your eyes, it's in the look
That you're giving me

I feel the rhythm of your heart
When I hear the music start
All I want is to be here with you

Oh... ven a bailar conmigo
Come dance with me tonight
Let's feel the beat, feel the heat
You and me

Ven a bailar conmigo
Let's dance the night away
Just move your feet to the beat
And dance with me
Ven a bailar conmigo

Ven a bailar conmigo
Let's dance!

Oh... ven a bailar conmigo
Come dance with me tonight
Let's feel the beat, feel the heat
You and me

Ven a bailar conmigo
Let's dance the night away
Just move your feet to the beat
And dance with me

Oh... ven a bailar conmigo
Let's dance the night away
Just move your feet to the beat
And dance with me

Just move your feet to the beat
And dance with me
Ven a bailar conmigo

J'aimerais danser
J'aimerais sentir ton corps auprès du mien
Sentir le toucher de ta peau
Dans tout mouvement,
Dans chaque souffle que j'inspire, je sens le battement

Je sens le rythme de ton cœur
Lorsque j'entends la musique commencer
Et je ne désire que d'être auprès de toi

Ven a bailar conmigo
Viens danser avec moi ce soir
Ressentons le battement, ressentons la chaleur
Toi et moi

Ven a bailar conmigo
Dansons à travers la nuit
Fais bouger tes pieds d'après chaque battement
Et danse avec moi
Ven a bailar conmigo

Ta façon de te mouvoir
Ta façon de danser, me fait vivre
J'aimerais rester dans tes bras

C'est dans tes yeux
C'est dans le regard que tu me jettes

Que je sens le rythme de ton cœur
Lorsque j'entends la musique commencer
Et je ne désire que d'être auprès de toi

Ven a bailar conmigo...

Ven a bailar conmigo
Dansons ensemble

Ven a bailar conmigo...

Ven a bailar conmigo

I wanna dance, I wanna feel
Your body next to mine
Feel the touch of your skin
In every move I feel the beat
In every breath I take

I feel the rhythm of your heart
When I hear the music start
All I want is to be here with you

Oh... ven a bailar conmigo
Come dance with me tonight
Let's feel the beat, feel the heat
You and me

Ven a bailar conmigo
Let's dance the night away
Just move your feet to the beat
And dance with me
Ven a bailar conmigo

The way you move, the way you dance
Makes me feel alive
I wanna stay in your arms
It's in your eyes, it's in the look
That you're giving me

I feel the rhythm of your heart
When I hear the music start
All I want is to be here with you

Oh... ven a bailar conmigo
Come dance with me tonight
Let's feel the beat, feel the heat
You and me

Ven a bailar conmigo
Let's dance the night away
Just move your feet to the beat
And dance with me
Ven a bailar conmigo

Ven a bailar conmigo
Let's dance!

Oh... ven a bailar conmigo
Come dance with me tonight
Let's feel the beat, feel the heat
You and me

Ven a bailar conmigo
Let's dance the night away
Just move your feet to the beat
And dance with me

Oh... ven a bailar conmigo
Let's dance the night away
Just move your feet to the beat
And dance with me

Just move your feet to the beat
And dance with me
Ven a bailar conmigo
