UER

She smiled at me, said:
"Would you like it sweet and low?"
"I know a place where we can
take it nice and slow"
I know what you're thinking:
don't stop, I need that sweet thing
Telling you now this is real

Shake it up şekerim,
I know what you're feelin'
Shake it up şekerim,
I got what you're needin'
Shake it up şekerim,
tell me what you're thinkin'
Shake it up şekerim,
you're my only sweet thing

She said in a sexy lazy low key:
"Can I make it right?"
You put your trust on me,
I'll take you through the night
Don't keep me waiting,
not sure you're understanding
Just how much I crave for you

Lovey dovey, lovey dovey
all the time
I got lots of candy to make you mine
Lovey dovey, lovey dovey
all the time
I got lots of candy for you

Elle m'a sourit et m'a demandé
Si je la voulais doucement
Je connais un endroit
Où nous pourrions vivre cette chose tout de suite
et tendrement
Je sais ce que tu penses
Ne t'arrêtes pas, je veux cette douce chose
Je te dis que c'est vrai

Secoue la Chekerim
Je sais ce que tu ressens
Secoue la Chekerim
J'ai ce dont tu as besoin
Secoue la Chekerim
Dis-moi ce que tu penses
Secoue la Chekerim
Tu es ma douce chose

Sexy, sans bruit et calmement
Elle m'a demandé si elle pouvait le faire
Il suffit que tu me fasses confiance
Je vais t'emmener dans les fins fonds de la nuit
Ne me fais plus attendre
Je ne penses pas que tu comprends
Combien je délire pour toi

Ma vie, Ma douceur, Ma vie, Ma douceur
J'ai toujours dans mes mains
Assez de bonbons pour que tu deviennes mienne
